Fits most brands of wet tile saws

**7" CONTINUOUS  
DIAMOND COATED RIM**

For a cleaner cut

**DESIGNED FOR WET  
CUTTING GLASS TILE**

Enjoy accurate cuts with the QEP® 7" Glass Tile Diamond Blade for wet tile saws. This blade features a 7 mm continuous rim with a diamond-coated cutting edge for clean cuts in glass tile with minimal chipping. This blade is specifically engineered for cutting glass tile, but it may also be used for cutting tile flooring materials such as ceramic, porcelain, mosaic and most natural stone products.
